

GET THE MONSTER YOU ALWAYS WANTED

COMPETITOR GRINDER REPLACEMENT GUIDE

JWC Environmental® is now offering Muffin Monster® replacements to upgrade from a competitor's two-shafted in-line grinder. This unique program uses the existing motor and controls but provides a drop in replacement grinder. This easy program gives you a cost effective path to get an upgraded Muffin Monster.

TYPICAL GRINDER REPLACEMENT KIT

Muffin Monster direct upgrade kits are available for select models only. If you have any questions please contact Aqua Solutions for assistance.

Upgrade your grinder to the Monster you always wanted with these easy steps:

- Identify manufacturer of grinder
- Determine grinder flange size
- Determine motor frame size
- Confirm motor and control are operational

Note that this program is only available for certain competitor models and options. The upgrade kits are not for grinders with extended shafts, hydraulic drives or submersible motors.
